Declaration

I, Samarpreet Singh, bearing Registration Number 12315307, hereby declare that the project report entitled " 'Find&Buy' Website" submitted in partial fulfillment of the requirements for the degree of Bachelor of Computer Applications (BCA) in the School of Computer Application at Lovely Professional University, is my original work and has not been submitted to any other university or institution for the award of any other degree, diploma, or any other similar title.

The work presented in this report is based on my own efforts and study, and all sources of information used in this project have been duly acknowledged. I have adhered to the ethical standards of academic integrity and have not engaged in any form of plagiarism.

I further declare that the website "Find&Buy" developed as part of this project is my original creation, and all code, design, and content not originally created by me have been appropriately referenced and acknowledged.

This project was carried out under the guidance of Dr. Bilal Ahmed, School of Computer Application, Lovely Professional University.

Date: 24/04/25

Project Overview

Introduction:

Find&Buy is an intuitive front-end web application designed to streamline the process of finding and purchasing products from local sellers. This platform lets users quickly search for products and see which nearby sellers have them available. It also highlights any special offers provided by local sellers, ensuring users can get the products they need on the same day, especially when other services don't have the desired product in stock.

Objectives:

1. To provide a convenient and efficient way for users to find products sold by local sellers.
2. To support local businesses by connecting them with potential buyers in their vicinity.
3. To offer users the ability to discover special deals and unique offerings from local sellers.
4. To ensure that users can obtain products on the same day, catering to urgent needs.

Key Features:

1. **Product Search:** Users can enter the name of the product they are looking for and receive a list of local sellers who have it in stock.
2. **Local Seller Listings:** The platform displays a detailed list of local sellers, including their location and contact information.
3. **Special Offers:** Highlighting any discounts, deals, or special features offered by local sellers.
4. **Same-Day Availability:** Emphasis on local sellers ensures that users can receive their desired products on the same day.
5. **User-Friendly Interface:** Built with HTML, CSS, Bootstrap, and JavaScript to provide a seamless and responsive user experience.

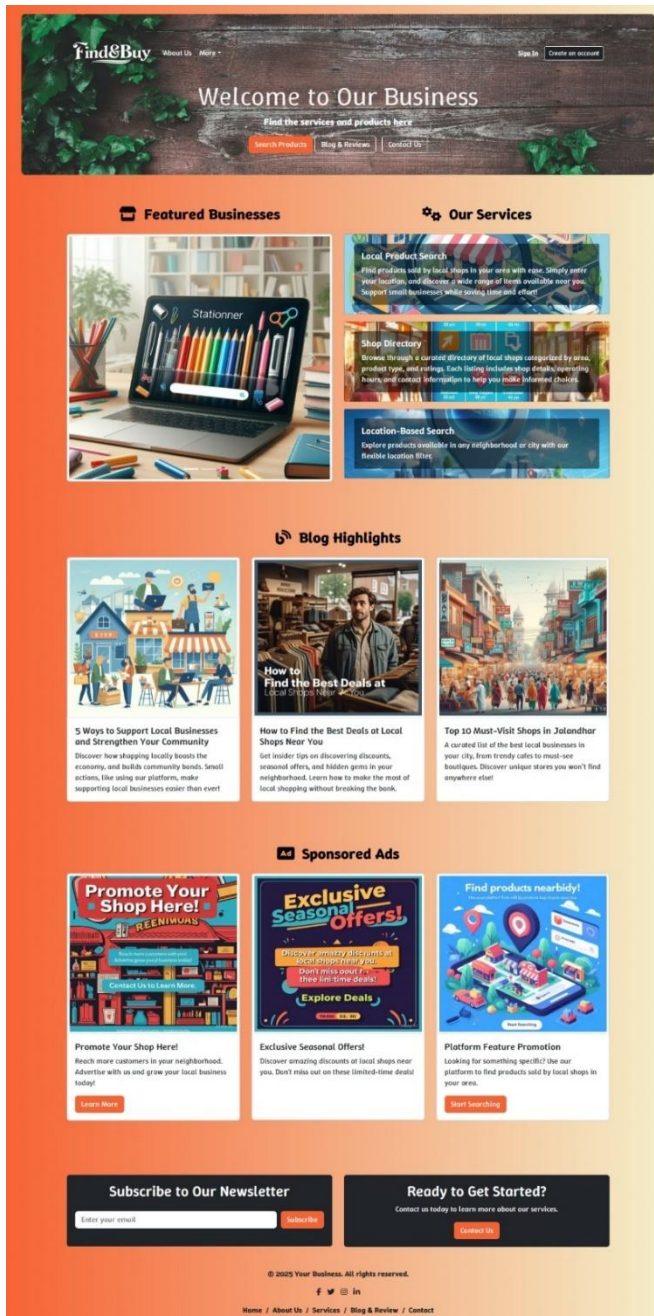

Real-Life Problems Solved:

1. **Immediate Product Availability:** Find&Buy helps users obtain products on the same day, which is especially useful for urgent needs or when other services have limited stock.
2. **Supporting Local Businesses:** By connecting local sellers with nearby customers, the platform promotes local commerce and helps small businesses thrive.
3. **Discovering Special Offers:** Users can take advantage of unique deals and special offers from local sellers, which they might not have known about otherwise.
4. **Enhanced Shopping Experience:** The intuitive interface and efficient search functionality make the shopping process quick and hassle-free.

FAQs

Our Services

Local Product Search

Find products sold by local shops in your area with ease. Support small businesses while saving time and effort!

Our platform allows you to search for products based on your location. Simply enter your city or neighborhood, and we'll show you a list of shops offering the products you need. This feature is perfect for those who want to shop locally and reduce delivery times.

- Search by product category or name.
- Filter results by distance or shop ratings.
- Get directions to the shop or contact them directly.

Shop Directory

Browse through a curated directory of local shops categorized by area, product type, and ratings.

Our shop directory is designed to make it easy for you to discover new stores in your area. Whether you're looking for electronics, clothing, or groceries, our directory has you covered.

- View detailed shop profiles, including contact information and operating hours.
- Read customer reviews and ratings to make informed decisions.
- Bookmark your favorite shops for quick access in the future.

Location-Based Search

Explore products available in any neighborhood or city with our flexible location filter.

Our location-based search feature allows you to expand your shopping options beyond your immediate area. Whether you're planning a trip or looking for a specific product, you can search for shops in any location.

- Search for products in multiple cities or neighborhoods.
- Compare prices and availability across different locations.
- Plan your shopping trips with detailed shop maps and directions.

24/7 Customer Support

Our dedicated support team is available 24/7 to assist you with any queries or issues you may have.

We understand that shopping can sometimes be challenging, which is why our customer support team is here to help. Whether you have questions about a product or need assistance with an order, we're just a call or message away.

- Contact us via phone, email, or live chat.
- Get quick resolutions to your issues.
- Access a comprehensive FAQ section for self-help.

Discounts and Offers

Enjoy exclusive discounts and offers on a wide range of products and services from local shops.

We partner with local businesses to bring you the best deals and discounts. From seasonal sales to special promotions, you'll always find ways to save money while shopping locally.

- Access daily deals and flash sales.
- Receive personalized offers based on your shopping preferences.
- Save more with loyalty programs and reward points.

Frequently Asked Questions

How do I search for local products?

Use the **Local Product Search** section to enter your location and browse available products from shops nearby.

Can I order products online?

How can I contact customer support?

Are there any discounts available?
